Dear Sir,

Steam Tanker "ESSO BALBOA"

I am obliged to you for your letter of the 11th instant and have today informed the Committee of your remarks.

It would seem that there is little hope of the class of this particular ship being retained by Lloyd's Register, but the Committee feel there is nothing to be lost by deferring action for a short time.

They have therefore asked me to request the Hamburg Surveyors to inform this office when the ship is about to leave their port, by which time the Owners' final decision should be obvious. Meantime, it is noted you have arranged a further discussion with the Esso International officials at New York, and we await the outcome with interest.

Yours faithfully,

Clerk to the  
Classification Committee.

The Principal Surveyor,  
NEW YORK.

c.c. Hamburg.
