Dear Sir,

F.E. 10186 "OKHOTSK"

With reference to your classing letter dated 21st September appertaining to the above vessel we enclose herewith as requested Certificates for Shafting and piston rods duly endorsed as having been examined in the finished condition.

Regarding Certificate No.M-71266 covering the spare tailshaft, we have to advise you that although this shaft was placed on board the above vessel it is to be retained in Russian as spare for the three ships built under this contract Hitachi Ship Nos.3921, 3922 and 3923, i.e. m.v. "OMSK", m.v. "ORENBURG" and m.v. "OKHOTSK". - A.R.

Certificates covering electric motors for essential pumps will be forwarded to you as soon as possible.

Yours faithfully,

Robert T. ...
For the Surveyors.
