Dear Sirs,

Motorship "PADEREWSKI"

I acknowledge receipt of your letter of the 7th instant, the contents of which have been noted.

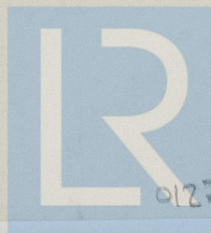

In reply, I have to inform you that, for Register Book purposes, the superstructure aft is designated as a bridge aft, the length of same being taken from the deck at side forward to the fore edge of opening in side shell plating.

This superstructure aft has also been treated as a bridge aft for freeboard purposes and a copy of the Rpt. C.11 (Comp.) closed shelter deck condition is enclosed for your information and guidance in dealing with subsequent sister ships.

Yours faithfully,

Deputy Clerk to the  
Classification Committee.

The Surveyors,  
SPLIT.
