# LLOYD'S REGISTER OF SHIPPING

UNITED WITH THE BRITISH CORPORATION REGISTER

71, Fenchurch Street, E.C.3  
31st July, 1955.

Dear Sirs,

Steamer "PARANA"

I have to acknowledge the receipt of Mr. Taylor's letter of the 15th instant, the contents of which have been noted, and I would inform you that the circumstances are fully appreciated.

The case has been submitted to the Committee at their Meeting to-day, and it has been decided to defer further action regarding the vessel's class pending the boilers being submitted for examination in September next, and on the understanding that this survey will be carried out not later than that date.

I would point out that the screwshaft will also be due for survey at that time, and I shall be glad to receive your reports in due course.

Thanking Mr. Taylor for his attention,

Yours faithfully,

Clerk to the  
Classification Committee.

The Surveyors,  
BUENOS AIRES.
