Dear Sirs,

M.t. "MARINELLA d'AMICO" - Classification

We regret having to inform you that for the same reasons stated in our previous letter No. 1341 of the 12/9/1960 regarding the s.t. "MINA d'AMICO", we are now also compelled to withdraw the Class of the "MARINELLA d'AMICO" with your Society.

We are very sorry to have arrived at this decision but this was dictated by the necessity to reduce the expenses for our Vessels to the minimum.

We hope, however, to be able in the future, if freights will improve, again to class the Vessel with your Society.

Yours faithfully,

d'AMICO
