QUESTION

ANSWER

With reference to my letters of the 5th and 14th May last addressed to the Owners, copies of which were forwarded to you, I shall be glad to learn how the case now stands as regards completion of the Donkey Boiler Survey, as no information has been received in this Office to the effect that this inspection has been completed.

Date:— 5th August 1954.

The owners state that the vessel will arrive at Naples about the 20th instant, and they will instruct the master to arrange for the completion of the Donkey Boiler Survey at the same time.

The Naples Surveyors have been informed.
