Mr. E. R. Sanderson, Surveyor
Lloyds' Register of Shipping
M a n i l a

Dear Sir:

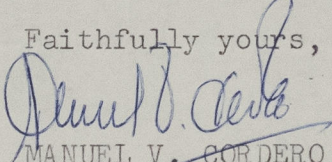

We thank you for your letter of the 20th April, 1964 regarding the Special Survey of the M.S. "NARRA".

I have been instructed by Mr. M. H. Acuña to inform you that the M.S. NARRA went up to drydock in the Fujinagata Dockyards from March 14, 1964 to March 25, 1964 during which she underwent a condition survey of Loadline, etc., and change of Classification to the American Bureau of Shipping and that we have been informed by this Society that said vessel "NARRA" is now classified in the American Bureau of Shipping.

I have also been instructed by Mr. M. H. Acuña to request you to take appropriate action for the removal of this vessel from your registry.

Thanking you for this and past favors, we remain

Faithfully yours,

MANUEL V. CORDERO
Asst. General Manager
