Dear Sir,

Herewith we acknowledge the receipt of
classification certificate on the hull for the
s.s. "BRASTED".

The connection of the bulwark plate to the
sheer strake was fitted as shown below, and the
Builders will be glad if this alteration may be
made to the certificate which we return herewith.

The Writer regrets that this alteration
was not pointed out more definitely when forwarding
his report.

We are, Dear Sir,

Yours faithfully,

THE SURVEYORS.
