Reference

Dear Sir,

I beg to enclose herewith Cape Town Report No.4696, on the M.V. "SLIEDRECHT," in connection with Damage Survey carried out at this port.

The Report is forwarded by Air Mail seeing that the vessel has proceeded to Europe for permanent repairs.

Three photographs are also enclosed showing some of the fractures in the bottom plating. From the appearance of the fractures the material seems to be fairly brittle.

Yours faithfully,

SURVEYOR TO LLOYD'S REGISTER OF SHIPPING.

The Secretary,  
LONDON.
