Lloyd's Register of Shipping.

Port C A P E T O W N

1st August, 1953.

This is to Certify that I have

Surveyed the M.V. "SLIEDRECHT," 10560 tons gross, of Rotterdam,
whilst afloat and in Dry Dock at Cape Town, for damage stated
to have been sustained through striking the bottom in the
approachage to Table Bay on the 16th July, 1953,
and that I have transmitted to the Committee of Lloyd's
Register of Shipping, London, a Report stating that ^{temporary} all repairs
recommended by me have been completed to my satisfaction,
and that I have Recommended that she be retained as classed
without fresh record of survey,

being fit, ~~to carry~~ in my opinion, for the voyage in ballast
from Cape Town to Europe for repairs.

(Signed) J. A. van LARE.

Surveyor to Lloyd's Register

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—

"While the Committees of the Society use their best endeavours to ensure that the functions of the Society are properly executed, it is to be understood that neither the Society nor any Member of any of its Committees is under any circumstances whatever to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any entry in the Register Book or other publication of the Society, or for any error of judgment, default or negligence of any of its Committees or any Member thereof, or the Surveyors, or other Officers or Agents of the Society."
