4th December, 1962.

Dear Sirs,

M.S. "TAIEI MARU"

With reference to the above ship, we shall be obliged if you will kindly inform us what arrangements you propose making for the Aux. Boiler Survey became due at the end of June, 1962, to be carried out.

We would also point out that the ship has not been seen in dry dock by the Society's Surveyors since June 1961.

At the same time it is understood from Aioi Shipyard that this ship was in Dry Dock there in June 1962 but at your request, anticipating the withdrawal of this Society's class, you gave instructions that the Lloyd's Surveyor should not be asked to attend the docking.

An early reply will be appreciated.

Yours faithfully,

  
For the Surveyors.

Messrs. Kyoei Tanker K.K.,  
KOBE.

c.c. The Secretary, London.
