Dear Sirs,

"KARUAH"

I have your letter of the 27th November enclosing a copy of one of the 23rd addressed to you by the Owners' Agents and note that the new French Owners are contemplating transferring this ship to Bureau Veritas class and freeboard about April next year.

We await confirmation of this change in due course, but in the meantime conclude you will satisfy yourselves that the Australian Authorities have no objection to the ship continuing to hold the Load Line Certificate which was issued by the Society on their behalf in September 1957 with expiry date 31st August, 1962.

Yours faithfully,

pro Secretary

The Surveyors,
SYDNEY
