Lloyd's Register of Shipping,

71, Fenchurch Street, E.C.3.

26th September, 1938.

Dear Sir,

S.

I duly received your letter of the 7th instant in further reference to the Motorship "HOEGH SILVERSTAR", your Report No.4870.

With regard thereto, I am directed to inform you that you were in error in accepting the statement of the Master that the stiffening shown on the plans received from him was in accordance with that approved by the Committee, seeing that a cabled question addressed to this Office on this point could have been answered without any loss of time.

Confirmation has now been obtained from the Owners as to their intention to transfer the classification of the vessel to the Norske Veritas, and the case is being submitted to the Committee this week with a view to her class with this Society being withdrawn and Three Dots inserted in lieu, indicating withdrawal of class at Owners' request.

A. Scott, Esq.,

VANCOUVER.

I am, Dear Sir,
Yours faithfully,

Clerk to the
Classification Committee.
