Dear Mr.Roli,

I regret there has been some little delay in acknowledging your letter of the 31st ultimo regarding the m.s. "HOEGH SILVERSTAR".

Your remarks have, however, been very carefully noted, but before putting the case to the Committee for withdrawal of class, we propose awaiting a confirmatory explanation from the Vancouver Surveyor.

Thanking you for your attention.

Yours sincerely,

P.B.Roli, Esq.,

OSLO.
