

6 - DEC 1933

Inspected by Chief Ship Surveyor

Received from Chief Ship Surveyor

VESSEL'S NAME Steel Sc. "CITY OF KIMBERLEY" Rpt. Bel No. 11175

Remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/32.)

Summary of Survey

The Belfast Surveyors report this vessel placed in dry dock and the requirements of the 1st S.S. No.2, due 4,33, complied with.

The bottom has been cleared and coated and repairs effected to chain locker bulkhead, rigging etc.

On account of damage through striking canal bank and fire, 4 shell plates, 5 floors, 4 frames repaired and minor repairs effected.

Turbo Electric Machinery has now been fitted and alterations to tankers etc. in accordance with approved plans.

It is submitted the vessel appears worthy to remain as classed with record of survey 11,33 and notation of S.S. Bel No.2-33.
