Reference

Dear Sir,

"NORRARD STAR".

In reply to your letter of the 8th February, I would state that the rise of floor is 2' 6".

I am enclosing approved plans of Rudder and Sternframe also Modification To Sternframe.

The Builders state that it is not their practice to prepare "as fitted" plans of Profile and Deck but I trust that the plan of the Profile and Deck will meet with your requirements.

Yours faithfully,
