

E X T R A C T from Mil. Classing Letter d'd. 8. 2.57.

8137 "NORRARD STAR" This ship has today been classed #100A1 "Motor Trawler" together with the notations recommended by you. I shall be glad if you will state the rise of floor and forward the approved plan of the sternframe and rudder also "As built" plans of Profile & Deck and Midship Section (Reference para 26 of Part 2a (1950) of "Instructions to Surveyors").

I also have to point out that in future cases the general declaration on reports should be in the terms as shown in para 27 of "Instructions to Surveyors" and not as has been done in this case.
