QUESTION

With reference to your report No. 3307, I shall be glad to learn what arrangements are proposed to be made regarding the machinery conditions of class with expires at the end of this month.

ANSWER

Date:— August 25, 1964

Due to delay in delivery of the valve chest, Owners have requested an extension of the period for renewal. The valve chest was examined under steam and found to be satisfactory. An extension is recommended - see St. J. Rpt. 9B No. 3328 dated August 25, 1964.
