Reference

The Secretary,

WOKINGHAM.

Dear Sir,

In the first entry report of the "DERWENTDALE", forwarded herewith, it is regretted that full particulars of the casting certificates for anchor heads are not given.

For this ship, anchors were taken from one ship, cable from another and spare shackles from a third, and in the rush to complete, the certificates were handed over without these particulars being abstracted.

We are, Dear Sir,

yours faithfully,

The Surveyors.
