Dear Sirs,

S.S. "STAMATIS"

With reference to my letter of the 6th February, I shall be glad to learn whether you are yet in a position to advise me, for the early information of the Committee, regarding the early arrangements made to carry out the General Examination of the Hull and Machinery with a view to the postponement of the Special Survey.

The ship has been reported to this Office as under survey during the week ending 3rd April at Genoa for the Main Boiler Survey but a Report of this inspection has not so far been received in this Office.

Yours faithfully,

Clerk to the  
Classification Committee.
