Dear Sir:

S.S. "PARADISE BEACH"

We have your letter of January 22, 1958 referring to previous correspondence in connection with the non-completion and delivery of the above named motor car ferry.

This is to advise that the vessel is still lying afloat at the repairers yard and they inform us that as they have not received any instructions from the Owners in Nassau, they conclude that the cause of the delay is that the terminal piers at Nassau and Paradise Beach are not yet ready for operation.

Yours very truly,

JGB/sb
