

14th August 1965

Dear Sir,

m.v. "CAMPERO"

I refer to the memorandum received from London dated 11th instant, copy to you.

On the 16th July I wrote to the Owners local Supt. copy to you, but as yet have received no reply.

As the Owners Head Office is in Madrid, perhaps you could obtain the required information from them and advise London and this office of the result.

As usual, we can get no information from the Company's local office.

Yours very truly.

R. W. Stonehouse.
