Dear Sir,

M.S. "CAMPERO"

I am obliged to you for your memorandum of the 29th September.

In reply, I am asked to say that while the Committee note the Special and Screwshaft Surveys will be held at Barcelona about the middle of the present month, they do not consider the Special Survey should be postponed any longer, bearing in mind the age of the ship.

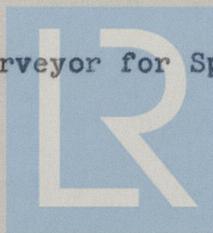

Should, for any reason, the Special Survey not be held as anticipated, you should require at least a General Examination for any further postponement.

Yours faithfully,

Clerk to the
Classification Committee

The Principal Surveyor for Spain,
MADRID.
