

X T R A C T FROM VCR. CLASSING LETTER D'D.22nd April, 1958.

0246 "YSW 220" This ship has today been classed #100A1 "for service on West Coast of Canada" together with the appropriate notations recommended by you, subject to non-return valves being fitted to the bilge suction in the forehold.

With regard to the fitting of these non-return valves, I shall be glad if you will ascertain from the Owners and let me know what arrangements are being made for this matter to be placed in order.
