Your Ref BCP/J/1662

Date 2nd August, 1974

Dear Sir(s),

G.M.V. "Moana Roa" - Conversion to  
Hydrographic Survey Vessel.

I return herewith two sets of the following plan(s),  
forwarded with your letters of the 2nd July & 19th July and would  
advise you that the scantlings and arrangements as shown and amended  
thereon will be approved, provided the work be carried out to the  
Society's satisfaction.

Plan Nos:-

New Deck over Deep Tanks  
Watts Tank  
Deep Tank and Watertight Bulkheads.

With regard to the helicopter landing platform on No. 02  
deck aft, it is considered that the scantlings shown on Drawing  
No. 10 "Deck Extensions" are in order, but that the deck  
thickness of 8 mm, stated in your letter dated 2nd July 1974  
should be increased to 10 mm.

Yours faithfully,

for the Secretary.
