3rd January, 1950.

Dear Mr. Scott,

"JOSINA", "MANU", "RIA DE EL FERROL"

I duly received your personal letter of the 17th ultimo amplifying the information contained in your official letter of the same date.

I hasten to assure you that we fully realise your difficulties although we did not know that long distance telephoning was one of them.

I sincerely hope that Mr. Larrucea will be able to make some definite arrangements for the cases to receive attention as now required, but I am afraid the end of January must be the cancelling date this time.

With kindest regards and Best Wishes for the New Year,

Yours sincerely,

A. E. Scott, Esq.,  
BILBAO.
