REPORT

Gra.

No. 249

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

(The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement.—Extract from Sub-Committee's Report, 24/5/92.)

The class is subject to a bower anchor and 30 fathoms of chain cable being supplied at the first opportunity.

The GRONINGEN Surveyors report (2.48) the vessel afloat, and 30 fathoms of chain cable, as above, supplied; markings verified with certificates.

2 steel masts now fitted.

IT IS SUBMITTED the vessel is eligible to remain as classed, subject to a bower anchor being supplied at the first opportunity, but without other condition.

As now, subject.
without.
