

Lloyd's Register of Shipping,

Botanicuslaan No. 23,

Haren-Groningen, September 30th, 1947.

RECEIVED

- 2 OCT 1947

ANSU.....

Reference

M.V. "BATAVIER".

Dear Sir,

In reply to your S.letter of the 19th inst., I beg to inform you that the struts to the bracket floors abaft quarter length from stem are bulbe angles 150 x 75 x 9, as reported and the thickness of the centre line bulkhead stiffeners is 9 mm instead of 8 mm as reported.

*see enclosed
copy
21-10-47*

The Bremen First Entry Report of the main engine is enclosed herewith.(Report No. 2169)

I am, dear Sir,

Yours faithfully,

[Handwritten signature]

The Secretary,
LONDON.
