\$100

\$7 93.

S.A. fee

I have surveyed the above-named ship in accordance with the Rules for Part Hull Special Survey.

Tank No.19 (Ballast) internally.

1. Tank top plating adjacent to manway locally pitted and holed.

NOW DONE:- Hole plugged with bolt for temporary repairs.

2. Deck girders, 4th from port and 4th from starboard wasted.

3. Intercostal girders, 4th from port and 4th from starboard wasted.

4. Two after floors wasted.

5. Bottom shell plating "B" strake starboard side pitted and holed.

NOW DONE:- Hole plugged and efficient cement box fitted.Tank No.25 (Ballast)

1. Aft. deck beam flange wasted.

P.T.O.

The items now surveyed are detailed on this report. All were found or placed in good condition unless otherwise stated. I recommend, therefore, that this ship remain as classed with ~~XXXX~~ fresh record of ~~XXXXXX~~ SS (with date) when the survey has been completed, subject to the Nos. 19 and 25 Ballast tank plating and internal structures being specially examined and dealt with as necessary by the completion of the Special Survey and to any outstanding conditions of class being dealt with as previously recommended.

(Where conditions of class are recommended to be retained, imposed, amended or deleted, particulars must be stated above and on the interim certificate.)

action taken or recommended should be described fully under "defects & repairs". When any part has been subjected to pressure test this should be stated.

date of the next Special Survey. Where repairs have been effected or it is considered that re-examination or repairs should be made before that date the circumstances and

The condition of any item is to be described as "good" only when it has been examined, found or placed in good condition and is considered to be acceptable until the due

As this vessel is proceeding to Hong Kong (due 1.6.66) to carry out the Special Survey, the Owners Agents requested that all repairs be deferred until then.

Hong Kong Surveyors advised.

PARTICULARS OF DEFECTS, REPAIRS, ALTERATIONS, ETC. The reason for repairs must be stated and repairs on account of damage, the alleged cause of which must be given, should be detailed separately from wear and tear repairs and, besides being detailed above, should be noted in the following summary. *State what action has been taken regarding items which are subjects of class or in SRL Appendix, whether outstanding or new.* Any alterations in existing particulars in the Register Book should also be reported above.
