Dear Sir,

m. s. "FELANIA"

We acknowledge receipt of your favour of the 25th instant advising us the Committee have agreed to this vessels present class being maintained for a further period of up to twelve months subject to a satisfactory comprehensive general examination being held and thank you very much for the favourable consideration shown in this case.

We also confirm that we fully appreciate the Committees concern regarding continuation of her class indefinitely on General examinations and wish to assure you the present proposal will not be considered by us as establishing a precedent, as it has arisen only due to special circumstances in that area, and is thus being considered in that light.

We also wish to assure you that we are anxious to comply with the expressed wishes of the Committee, as soon as circumstances ameliorate sufficiently to enable us to carry out our already implied intention of disposing of these ships for breeding up.

Yours faithfully,

THE ANGLO-SAXON PETROLEUM COMPANY LIMITED.
