

# POSTPONED SURVEYS.

Case of the Tw. Sc. M.S. "FELANIA"

No. 09480 in Reg. Bk. tons, Built

Classed Owners

Port of Registry

Survey Due Last SS notation SS Tri. No. 1-38 (LMC CS 7,50)  
Examined notation expired 7.51.

Indented shell plating (p & s) to be specially examined and dealt with as necessary by next drydocking.

Donkey Boiler Survey due 7.51.

Screwshaft Survey due 6.52

Loadline Certificate expires 31.1.52.

In August last the Committee agreed to this vessel's class being continued until the end of December subject to a satisfactory General Examination being carried out. This was held at Port Said on the 19th August.

On the 11th December a letter was received from the Owners requesting that, owing to the situation in Egypt, the Classification and Loadline Certificate might be extended until the end of the present month. This was approved on the 18th ultimo.

The attached letter has now been received from the Owners requesting that this vessel might be submitted to a further General Examination with a view to obtaining another 12 months extension of Class. N.B. This vessel operates on a

Committee's Minute restricted service in the Suez area.
