Lloyd's Register of Shipping.

71, Fenchurch Street, E.C. 3.

Enclosure.

27th February, 1928.

Dear Sirs,

I beg to call your attention to the fees
D. outstanding, as per enclosed account, for the survey during
construction of your Engines No.601, fitted on board the
tug "CONDIA"; also for the survey during construction of
the steamer "ROBIN", Yard No.185, and to request that you
will be good enough to favour me with a remittance for the
amount due, namely, £71.13.2.

I have to point out that the classification
of the two vessels in the Society's Register Book, and the
issue of the Certificates, cannot be made until the fees
in question have been paid in full, and you will therefore
see the necessity of taking steps to meet the accompanying
account without delay.

I am, Dear Sirs,

Yours faithfully,

Secretary.
