Enclosure

Dear Sir,

In reply to your letter of the 17th instant respecting the survey fees and expenses owing by Messrs. Crabtree & Co Ltd., for their Engines No. 601 and the steamer "ROBIN" (hull and machinery).

I have to inform you that a personal application was made this day for a settlement, and the Secretary informed me that the firm had not sufficient money in the bank to meet the payment, it is very evident they are in a bad way financially, and are being very hard pressed by their creditors.

In regard to the "GONDIA", I believe that there is still the final instalment to be paid by the Owners for the machinery, if they require the Certificate perhaps they would pay the fee and deduct it from Messrs. Crabtree's account.

I am, Dear Sir,

Yours faithfully,

The Secretary

LONDON.

A. E. Farminier.
