Dear Sirs,

S.S. "ILYASBAKSH"

I enclose for your information a copy of the Calcutta Surveyors' letter of the 2nd February.

The Karachi Surveyors have stated in a memorandum dated 30th March that the vessel is still detained by the Indian Authorities at Bombay.

In these circumstances the Committee have agreed to defer action at this time regarding the maintenance of class until further information is received and you are requested to keep this Office informed as to the situation.

Main Boiler Survey due June 1965.  
The record MBS 8.65 will be assigned when the survey is completed by the adjustment of all boiler safety valves and the examination of the oil burning system and controls.
