U.GENNARI fu TORQUATO & C.

Pesaro, 3rd February, 1951.

The Secretary,
Lloyd's Register of Shipping,
71, Fenchurch Street,
LONDON, E.C.3.

6 FEB 1951

Your Ref. Classification.

S/S "A U D A X"

We beg to acknowledge receipt of your letter of the 22nd instant, and apologise for the delay in replying. This delay was only caused by the fact that as our Head had to proceed to Genoa, he preferred to wait till he had discussed the matter with your Surveyors in that city in order to have the exact details of the case.

Whilst thanking you for so kindly taking into consideration our desire that the cancellation of the class should be made (with a red line), we have to inform you that accordance with your concession we agree to submit the boiler on our ship for inspection by your Surveyors when the repairs recommended by the Surveyors to the RIN and your Surveyors at Trieste have been carried out.

If time permits the work will be carried out at Rotterdam when the ship next calls there and in any case during the spring.

Yours faithfully,

(Sgd).....
