Dear Sir:

"CATHERINE M.S."

I duly received your letter of the 25th ultimo regarding the Boiler Survey of the above named vessel which became due at the end of November last, As a result of an inquiry addressed to the Evans Shipping, Inc., I have received the enclosed reply.

As you will recall, I wrote you on the 7th November last stating that the Owners have reported that the vessel has been reclassified by the American Bureau of Shipping. Apparently, they intended for this advice to indicate that she was to be withdrawn from class with this Society, but did not say so.

In the circumstances, the Committee will no doubt take the necessary action on the basis of the enclosed copy of their reply.

Yours faithfully,

Principal Surveyor, U.S.A.
