29th September, 1952.

Dear Mr. Dickerson,

"MOONLIGHT"

I enclose herewith the first entry report and correspondence in connection with a rather unfortunate case at Liverpool which was dealt with by Mr. Lee who is now on your Staff.

You will see from Mr. Hodgson's endorsement of the 18th instant that Mr. Lee was seriously at fault as regards the equipment of this vessel, and I shall be glad if you will arrange for him to furnish his comments to this Office.

Please return the enclosures with his reply.

With kindest regards,  
Yours sincerely,

The Secretary,  
LIVERPOOL.

H. Dickerson, Esq.,  
MIDDLESBROUGH.
