15th September, 1952.

My dear Tom,

Many thanks for your letter of the 13th September regarding the equipment of this ship. I have decided to submit to the Committee that the Class of 100A- be assigned with, of course, the service limitations, subject to an additional 30 fathoms of chain cable being fitted and the stream anchor being rigged in such a way as to make it operative as a second bower in the case of an emergency.

Yours sincerely,

T. Pratt, Esq., M.C.,
LIVERPOOL.
