(i) Machinery Subject/Limit by:— See endt. dated
(j) S.R.M.C due (k) R.S. due

- (3) Postponements already agreed:— Postponement of the Special Survey until May 1964 approved 27.8.63 after General Examination.

- (4) New Proposal:— On the 10th July the Rio de Janeiro Surveyors called that, in view of the recent drydocking at Santos, it was doubtful whether the Owners would complete the Special Survey before the end of 1964. On the same date, however, the Santos Surveyors called that the ship was due there at the end of July, and that the Owners were prepared to take the vessel to Rio, after leaving Santos, for completion of the Special Survey. The year of grace expired at the end of May 1964. (A report of machinery damage survey held at Rio in

Technical Recommendation (Hull):—

No technical objection in view of survey Santos 4.6.4 provided ship proceeds direct from Santos to Rio for completion of ss
