Date: 18 MAR 1963

QUESTION

With reference to the Special Survey, which becomes due at the end of May, I shall be glad to learn what arrangements are proposed to be made for this inspection to be carried out.

W.A.B.

ANSWER

Date:— 28th. March 1963.—

The Owners' Representative states that the vessel will be docked at Rio de Janeiro where the S.S. will be dealt with, in the meanwhile they are trying to book a dock and make the necessary arrangements. At this time the ship is in north Brazil, and due back here in 20 days or so, when we will again raise the question of S.S.
