Remarks In December last the Bilbao Surveyors stated they had been informed by the Owners that the vessel had been chartered for consecutive voyages with coal from Asturias to Barcelona and at that time they were not in a position to carry out the Special Survey. It was added that as soon as they could get the vessel to Bilbao the Special Survey would be dealt with.

In reply the Bilbao Surveyors were informed that action had been deferred for a short time pending the receipt of a further communication, by the end of January, intimating what definite arrangements the Owners proposed making for the inspection in question to be dealt with.

No information having been received, enquiries have been made of the Bilbao Surveyors who now cable stating that they have written to
