Enclosures

21st September, 1953.

Dear Sirs,

Classn(S)
RJS

I duly received your letter of the 11th instant, from which it is noted that in order to reduce your running expenses you have decided to class your Motor Tanker "MALMOHUS" with the Registro Italiano only.

The Committee appreciate the generous terms in which you have referred to the Society's services rendered you, and hope that if times improve you will be able to submit her for reclassification with this Society, as suggested.

Meantime they have given instructions for her class to be withdrawn from the Register Book with three dots (...) indicating withdrawal at Owners' request.

I take this opportunity to return the invoices of the Globe Engineering Works Ltd., of Cape Town, which were forwarded to us by your Agents, Messrs. Galbraith, Pembroke & Co., Ltd., of this City.

Yours faithfully,

c.c. Gen.

Clerk to the
Classification Committee.
