Boiler securing  
arrangements

Main economisers

Steam heated  
steam generators

Fired boiler forced  
circulating pumps

Have saturated steam pipes in cylindrical boiler  
smoke boxes been examined as required by the Rules?

Exhaust gas heated economisers  
and their safety valves

Steam generator or  
E.G.E. safety valves adjusted to

Funnel  
Were oil burning system &  
remote controls examined  
in accordance with Rules?

I declare that the items detailed in this report (except as stated otherwise) comply with the requirements of the Merchant Shipping (Cargo Ship Construction and Survey) Rules 1965, applicable to this ship, and are in all respects satisfactory for the service on which the ship is intended to ply, namely, International voyages/voyages within the limits

(The above declaration applies only to sea-going cargo ships  
of 500 tons gross and above registered in the U.K.)

I recommend that the machinery of this ship remain as classed with/without fresh record of

See Report 9a attached for recommendations.

(Where conditions of class are recommended to be retained, imposed, amended or deleted, particulars must be stated above and on the interim certificate.)

Good

u PASSENGER SHIPS Have the emergency source of power and its associated circuits and, where fitted,  
the temporary source of power and its automatic arrangements been tested?

CARGO SHIPS Have the emergency source of power and its associated circuits been tested?

PARTICULARS OF DEFECTS, REPAIRS, ALTERATIONS, ETC.

The reason for repairs must be stated and those on account of damage, the alleged cause of which must be given, should be detailed separately from wear and tear repairs. State what action has been taken regarding items which are subjects of class. State also where appropriate, for the information of the Technical Records Dept., the material of the defective item and whether it is a forging, casting or welded fabrication. Any alterations in existing particulars in the Register Book should be reported above.

State whether continuation sheet attached
