Dear Sirs,

s.s. "SEA BIRD"

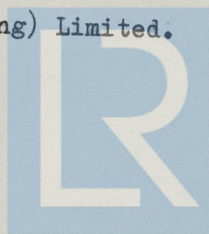

We have for acknowledgment your letter of the 22nd instant in which you enquire what arrangements are proposed with regard to the Special, Main Boiler and Steampipe Surveys which become due by the end of November next.

Since the future of the vessel is at present uncertain, we regret that at the time of writing, we are not in a position to inform you of any definite arrangements regarding these Surveys. A copy of your letter has been forwarded to the Owners, and once a decision has been taken on the vessel's future, we will advise you of their intentions.

Yours faithfully,
for MULLION & CO. (SHIPPING) LIMITED.

M. Thompson
Technical Superintendent.
