The Secretary,
Lloyd's Register of Shipping,
London.

Dear Sir,

With reference to your classing letter dated the 15th inst. on the motor vessel "Høegh Silverbeam", our report No. 12011 we beg to inform you that the particulars of the steel hawsers and warps are as follows:-

hawsers:- 2 x 120 fms. 3" steel wire ropes
with a breaking test of 18.6 ts.

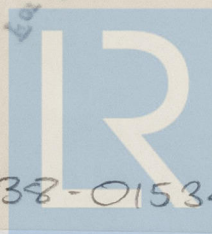

warps:- 2 x 90 fms. 3" steel wire ropes
with a breaking test of 18.6 ts.

As the original test certificates are lost we have just recently been able to trace the test results from the makers (Jacob Holm & Cønner, Copenhagen) but we regret that we have not made it clear to you how the case stood.

Yours faithfully

S. Sanderson.
