Dear Sirs,

Motorship "BERN"

I acknowledge receipt of your memorandum dated the 20th February, 1968, the contents of which have been noted, and have to advise you that the Committee are agreeable to the examination of the CSM items being deferred until the forthcoming docking at your port.

I shall be glad if you will remind the Owners that it is a requirement of the Society's Rules that the interval between the examinations of all machinery items must not exceed five years.

Yours faithfully,

pro Classification Manager.

The Surveyors,  
ROTTERDAM.
