## LLOYD'S REGISTER OF SHIPPING

Port ROTTERDAM.Date 9th October, 1967.

This is to Certify that at the request of the Owners, the undersigned Surveyor attended on board the m.s. "BERN" on the 30th August, 1967 and subsequent dates in order to examine and witness tests on the bridge control equipment for the main engine.

"The bridge control equipment has been installed in conformity with the Rules, Regulations and relevant recommendations of Lloyd's Register of Shipping, tested on completion and found satisfactory. The ship is, therefore, considered suitable for operation with periodically unattended machinery spaces".

  
W. Stuij van den Herik.

SURVEYOR TO LLOYD'S REGISTER OF SHIPPING.

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—

"The Committees of the Society use their best endeavours to ensure that the functions of the Society are properly executed, but it is to be understood that neither the Society nor any Member of any of its Committees nor any of its Officers, Servants or Surveyors is under any circumstances whatever to be held responsible or liable for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any entry in the Register Book or other publication of the Society, or for any act or omission, default or negligence of any of its Committees or any Member thereof, or of the Surveyors, or other Officers, Servants or Agents of the Society."
