Dear Sirs,

CLASSING LETTER

C
DNS/RW

17461 "AWANUI" This ship has today been classed + 100 A1 together with the appropriate notations recommended by you.

"HONGKONG VENTURE" ex "KING DAVID". With reference to my cable dated 5th December, 1962, I have to inform you that a report covering the General Examination carried out by the Newcastle-upon-Tyne Surveyors last December, has now been received in this office.

In view of the satisfactory nature of this inspection, the Committee are agreeable to the Special Survey being postponed until the end of December, 1963.

Please inform the Owners accordingly.

17456 "SANTHIA" - As recommended.

It is concluded that the No. 4 D.B. tanks (port and starboard) were also satisfactorily tested, as this is not stated in your Report.

It is concluded that the S.R.L. item relating to the fracture in the No. 3 main bearing pocket of the starboard main engine was examined and found satisfactory for further service until December, 1963, but your confirmation is desired.

This information should have been given in the body of your Report.

Yours faithfully,

pro Clerk to the
Classification Committee

The Surveyors,
HONG KONG
