Damage fee

Expenses Rs.25/=

S.A. fee

I have surveyed the above-named ship in accordance with the Rules for Hull Repairs.

At the request of the Master an examination was made of the Port side upper chafing bar on plate H 13. A section of the bar 8 ft. long was found missing. The bar has now been replaced, examined and found satisfactory.

taken or recommended should be described fully under "defects & repairs". When any part has been subjected to pressure test this should be stated.

date of the next Special Survey. Where repairs have been effected or it is considered that re-examination or repairs should be made before that date the circumstances and action

The condition of any item is to be described as "good" only when it has been examined, found or placed in good condition and is considered to be acceptable until the due

I declare that the items detailed in this report (except as stated otherwise) comply with the requirements of the Merchant Shipping (Cargo Ship Construction and Survey) Rules 1965, applicable to this ship, and are in all respects satisfactory for the service on which the ship is intended to ply namely International voyages/voyages within the limits

(The above declaration applies only to sea-going cargo ships of 500 tons gross and above registered in the U.K.)

The items now surveyed are detailed on this report. All were found or placed in good condition unless otherwise stated. I recommend, therefore, that this ship remain as classed ~~SS~~ /without fresh record of ~~SS~~ survey, subject to any outstanding conditions of class being dealt with as previously recommended. KRH 8/8

(Where conditions of class are recommended to be retained, imposed, amended or deleted, particulars must be stated above and on the Interim certificate.)
