

Three Gebroeders for
the Chief Surveyors

11/10/77

"Three Gebroeders"

It is submitted that as this vessel
does not appear to have been classed in the
Register Book, she should be examined in
dry dock and the whole of the Yellow Metal
sheathing stripped, and the requirements of
Section 52 as well as those of Section 54 for
Continuation complied with to enable the
vessel to receive the favorable consideration of
the Committee to be classed A-1 in the
Register Book.
